

CA71/CA39 Series Insulated Proof/Hold Cabinet with Universal Supports

Your best choice for both proofing and holding

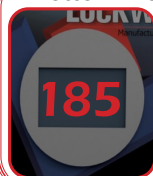

- All aluminum construction
- 3/4" concealed foam insulation provides additional energy efficiency and enhanced heat and moisture control
- Furnished with 16 pair (CA71) or 7 pair (CA39) of 5-1/2" removable universal pan supports
- Accommodates a wide range of pans and screens from 17" to 23" wide and up to 26" deep, including 18" x 26" trays and steam table pans
- Includes dual purpose HHP-SB-EXT to use for proofing or holding
- Pan stop provides even heat distribution throughout cabinet
- Full height unit will accommodate up to 16 full size sheet pans at 3" centers - smaller spacing could accommodate additional pan supports (sold separately).
- Integrated side handles on full size cabinet
- Ambient air temperature may affect heating performance
- Large Plate Series Casters - 6" PU swivel, 2 w/brakes

CA71-PFIN-CD-L*

Full Door Options:
